

international teen wildwater slalom races

Licence conditions for organizing international competition Teen cup™

Teen cup™ is registered trademark. Organizer who wish to organize Teen cup™ competition must have written approval from Teen cup team and KKK Tacen KD-AdriaticSlovenica, who are organizing committee.

Every competition, which is organized under license conditions, must have in the name of competition Teen cup™ and name of city, in which competition is held on.

International competition Teen cup™ is adapted for competitors of wild water kayak and canoe to age 16.

Age categories

- **Under 16 or U16:** 15 and 16 years old paddlers ("The last that competitor can compete in the Under 16 category is the year that his/her 16th birthday falls in. ").
- **Under 14 or U14:** 13 and 14 years old paddlers ("The last that competitor can compete in the Under 14 category is the year that his/her 14th birthday falls in. ").

Licence conditions

Organizer, who wants to organize competition, has to send demand application by email to info@kayakteencup.eu .

Organizer has to consider all written terms, which are required by owner of trademark.

Organizer has to consider date of realization, which has been granted from owner of trademark.

Organizer has to assure wide international participation of competitors from different countries.

Competition has to be advertised and journalists has to be present.

Organizer has to gain sponsors alone.

Organizer must assure practical awards (paddling equipment) for competitors in value over 1000 EUR.

Organizer must organize on Saturday evening (around 18.00h) after the end of qualifications on his costs cognitive evening for all participants.

On mentioned competition may be presented just universal medals or cups.

Award winning ceremony must be 30 minutes after completed competition.

The entry fee is 20 Euros per boat per competitor. The fee covers entry costs and does NOT cover accommodation, food and transportation. The entry fee must be covered by accreditation in the race office.

Technical demands for realization of competition:

Competition goes under modified rules of Slalom committee of International canoe federation (ICF).

Water level has to be suitable for younger categories (degree of pretentiousness 2 to 3).

The water level must be constant and controlled.

The course must not contain dangerous parts, on which in the past competitors have already been hurt.

The course should contain 20 gates of which 8 are against the current and should not be longer than 300 meters.

For realization of competition must organizer assure main conditions:

Near the course must be rescue vehicle (during the race) with trained personnel.

Time measuring must be done by official timing company.

In permanent readiness (during the race) must be at least six trained lifeguards, with all necessary equipment and licence.

Start will be indicated by the Starting gate or board. Finish will be also indicated by the board 'FINISH'.

Organizer must ensure at least four sectors and on each sector must be at least three judges with ICF licence.

Organizer has to organize training camp (practises) for all competitors one week before the race from Tuesday morning till Friday (till 15.00h). The training camp (practises) must be

organized by time table with in advance terms, which are fixed by organizer and must be written. Each team has to have the same practise conditios on course where the competition will held on (considering the number of paddlers on course, time, watter level, number of gates...).

The course must be closed on Friday till 15:00h. Organizer has to set up the course for Qualifications on Friday till 16:00h. Course designers for qualifications and semifinals and finals are selected by organizer on Thursday till 18.00h and must be announced by organizer and published on results table.

- Course designer for qualifications:
- Course designer for semifinals and finals:

Corse approval by chief judge, chief official, responsible technical organizer (and contact with Teen cup™) and course designer will be on Saturday and Sunday after demorunners at 9:20.

Team leaders meeting must be held on Friday evening till 19.00h and Saturday after the Qualifications and before cognitive evening. Organizer has to present:

- Chairman of the Organizing Committee;

- 9:30 Forerunners.
- 10:00 Semifinals.
- 11:30 Finals.
- 13:00 prize giving ceremony or 14.30 with Junior cup™.

Semifinals are for competitors who finished in 2/3 of best competitors from qualifications.
Finals are for 1/2 of best paddlers from semifinals.

There will be none equipment measuring on Teen cup™ races, but organizer can measure equipment if he chooses so.

Teen cup™ donation is program for young promising wild water paddlers with bad material situation. Organizer is welcome to help at least one competitor with practical rewards such as paddling quipment.

Sponsors of Teen cup™ can represent their equipment and also sold it if they meet all legal provisions.

Teen cup™ world series

In 2010 we will organize three races for the Teen cup™ world series. Points gained on each competition will count for Teen cup™ world series with finals in Tacen.

Competition goes under modified rules of Slalom committee of International canoe federation (ICF):

- Points gained on each competition will count for Teen cup™ world series with finals in Tacen.

- Each of the participating competitors receives points on each Teen cup™ world series race as follows:

1st place - 50 points

2nd place - 45 points

3rd place - 41 points

4th place - 39 points

5th place - 38 points

6th place - 37 points

...

...

...

38th place - 5 points

39th place - 4 points

40th place - 3 points

The competitor with the highest total points is the winner of the Teen cup™ world series in his/her event.

In the event of a tie in the final ranking, higher ranking is given to the competitor having the best result in the last Teen cup™ world series race.
